RGS PARLIAMENT

The Parliament Collection combines all of the quintessential elements of traditional wood veneer furniture—classic lines, wood trim and edge details. The Parliament line features rich mahogany or cherry finished walnut veneer, beautifully detailed solid wood edging and brass colored handle accents.

FEATURES

- Mahogany or Cherry finished walnut veneer
- Classic lines, wood trim and exquisite edge details
- Brass colored handle accents
- Strategically placed grommets for neat and clean wire management
- All floor standing units include adjustable glides

Featured Products

30" & 42" Round Tables,
8-24' Conference Tables,
Bookcases, Storage Cabinets
& much more

RGS ION

The Ion Collection is perfect for training rooms, classrooms or offices. Black metal “C” legs offer concealed wire management up through the legs, into cabling cutouts in modesty panels to the desktops. Matching black metal storage from pedestals to bookcases and full laterals complete the office suite. This line is all you are looking for and more.

FEATURES

- Table tops are constructed of thermal fused melamine laminate with square corner radius and a 3mm black t-mold edge band
- Premium table top upgrades are available on all products. Extended lead time applies
- All standing floor units include matching black leveling glides

Featured Products
Training Tables, Storage,
Desking, Benching Systems,
Storage & much more

RGS CORNERSTONE

The Cornerstone Collection offers it all. From classic executive looks to modern Stand Up Systems; Cornerstone has a desking and storage solution for every office. All workstations are equipped with wire management grommets and all drawers include core, interchangeable locks and ergonomically designed drawer pulls for convenience and ease in operation.

FEATURES

- Constructed of a low pressure laminate with a matching 3mm PVC edge, high pressure laminates available
- Strategically placed grommets assist with keeping cables neat and clean
- All floor standing units are equipped with leveling glides
- Desk Shells and Conference Tables assemble in minutes

Featured Products

Desking, Reception Desks,
Stand-Up Desking & Storage,
Modular Conference Tables,
and much more

RGS VECTOR

A patent-pending Vector Conference Table from RGS Furniture features a Lockdowel fastening system for easier, faster assembly. The modular table is designed with a hidden trough for power cables and HDMI hookups. The table legs are hollow, allowing for the power cables to be completely hidden from view, making for a sleek presentation and work environment. The new table is available in sizes starting at 6 feet up to 24 feet.

FEATURES

- Tables are constructed of high pressure laminate with a black T-Mold edge band
- Sleek angular leg design creates wire management troughs to hide necessary cords
- Limitless aesthetic options, even two-tone designs
- Patented modular table design means that your conference table can grow with your company

Featured Products
6-24' Conference Tables

RGS DECO

Work in style with modern Deco tables that are sure to impress. Sturdy and stylish O-Legs are available in both black or grey. Mix and match storage components from the Ion and Cornerstone collections to build your perfect desk. Modular conference tables grow with the size of your company.

FEATURES

- Sturdy O-Legs add a modern touch to any room
- Constructed of a low pressure laminate with a matching 3mm PVC edge, high pressure laminates available
- Customize your desk with storage components from both our Cornerstone and Ion collections

Featured Products

Training Tables, Hi-Lo Desking,
U & L-Desks, Storage, Modesty
Panels, Conference Tables,
and much more

RGS OVATION

PATENT-PENDING

The Ovation Sit/Stand Desk from RGS Furniture, is a battery-operated, height-adjustable, movable desk. The patent-pending Ovation Desk operates in two stages with a single motor.

It's the first desk of its kind to be battery-operated and on casters, making the trend of a flexible work environment easier and more convenient. The Ovation Desk has four programmable settings and sizes start at 48 inches wide and go up to 84 inches wide.

FEATURES

- Battery-operated & casters means you can work anywhere
- Adjust to your comfort level with the press of a button
- Two stage leg design on a single motor
- Fits with any of our Rectangle Table Tops

Featured Products

Battery-operated mobile height-adjustable desking, and more

RGS

EDUCATION

RGS' Education collection is designed for the evolving needs of the modern classroom. Specialty shaped tables and wobble stools help enhance student-teacher interaction. Modular storage and sit-stand desks can adapt to the needs of the class. Training tables, nesting, and library chairs put the finishing touches on any learning environment.

FEATURES

- Tables are constructed of a low pressure laminate with a black T-Mold edge band. High pressure laminates available
- Adjustable height tables suitable for all ages
- Seating ideal for classrooms, training rooms, libraries, cafeterias and more
- Modular storage to meet the needs of modern classrooms

Featured Products

Collaborative Classroom Tables,
Seating, Adjustable-Height Tables,
and much more

RGS LOUNGE

RGS' Lounge collection is perfect for communal work areas, waiting rooms, recreational spaces and more. Specialty lounge chairs and loveseats feature built in cup holders, optional storage, and an optional tablet arm attachment to make your lounge area custom to your vision. Place RGS plush ottomans with chairs and existing furniture, or use on its own as extra seating.

FEATURES

- Look great in lounges, waiting rooms, classrooms, living rooms and more
- Upholstered in a durable vinyl that is soft to the touch and wipes clean easily.
- Thick cushioning provides comfortable seating with firm support

Featured Products

Tablet Chairs, Ottomans, Lounge
Chairs, Loveseats, and much more

RGS BREAKROOM

RGS' Breakroom collection has a table for every lunch room or hospitality area. With 6 base styles to choose from and ready-to-order tables, outfitting your café has never been easier.

FEATURES

- Table tops are constructed of low or high pressure laminates with a black T-mold edge band or self edge
- Laminates are scratch, stain and scald resistant and wipe clean easily
- Some low & all high pressure tabletops are made in USA
- See page 28-29 for Training, Stack and Café seating

Featured Products

Stack Seating, Café Height Tables
& Chairs, Variety of Base Styles,
and much more

RGS TRAINING

RGS' Training Collection meets the needs of modern seminar and class rooms with flip-top nesting tables, café height tables and both stationary and mobile tables. With 5 stationary base Styles and flip-top mobile bases to choose from. Outfitting your lecture hall has never been easier!

FEATURES

- Tabletops are constructed of low or high pressure laminates with a black T-mold edge band or PVC edge
- Laminates are scratch, stain and scald resistant and wipe clean easily
- Some low & all high pressure tabletops are made in USA
- See page 28-29 for Training, Stack and Café seating

Featured Products

With modern, traditional and customizable options to choose from, there truly is a seat for every room.

Featured Products

Soft-Seating, Stackable Seating,
Nesting Chairs, Stools, Classroom
Seating, and much more

RGS POWER & ACCESSORIES

BRANCH SYSTEM

RGS' 8 wire 4 circuit (2+2) power systems are CL/UL certified. They are offered in double-sided power blocks that can accommodate up to 8 simplexes. This design allows more simplexes to be used per power block location, therefore lowering overall electrical costs. All molded components are made of high impact resistant LEXAN and all cables have galvanized steel flex covering. A professional electrician is recommended for installation.

STANDALONE POWER

Standalone Power units make it easy to connect and share ideas. Choose units with power, data, charging and HDMI. Installation is easy with just a few screws. These collaborative power units can be placed in any table or desk with a custom cut.

FLOW SYSTEM

Introducing Flow—an adaptable UL certified desktop power system that can keep up with any team's workflow. Designed to address the growing needs of desking and benching systems, Flow provides immediate access to power outlets, USB charging ports and data connectivity. An additional two outlets are located below the work surface. Link together multiple power blocks from a single infeed to have several workstations up and running in minutes. Rearrange, add or replace stations in a snap. Flow can be configured in any order so there is no limitation to your office setup. A professional electrician is recommended for installation.

ACCESSORIES

Organize and make your workplace more efficient with RGS' accessories collection. Ergonomic desk accessories like monitor mounts and keyboard trays help ease the strain of day-long desk work. Table and chair accessories help keep the office neat and tidy while adding a personal touch. Privacy dividers for all size desks help keep teams focused without isolation.

Featured Products

Power, Data & Charging Solutions,
Benching Trough, Privacy Dividers,
Screen Mounts, and much more
