Scalable Configurations for Flexible Spaces

series

White Dry Erase Surface

Available in 4-, 8-, and 12-seat configurations, Abide adapts to rooms of all sizes. Multiple units can be aligned to create extended collaborative runs, making it easy to configure for classrooms, libraries, training rooms, or multi-purpose community spaces.

- 1" thick table top in laminate Walnut finish or Dry Erase White surface. Maple seats and Gray frame only available with the White Dry Erase Top.
- Flip open electrical charging panel with 3 AC plugs and 2 USB ports
- Swivel seats with pullout seat positioning
- 300 lbs. weight capacity per seat

Dry Erase White Surface

The Dry Erase White laminate top transforms the entire table into a writable workspace. Students and teams can brainstorm, diagram, and collaborate directly on the surface – eliminating the need for additional boards and encouraging spontaneous idea-sharing. The 1" thick commercial construction ensures long-term durability even with frequent use.

Standing-Height **Table** with Attached Seating

Designed at a 38" standing height, Abide promotes movement, collaboration, and engagement in active learning spaces. The attached seating design keeps classrooms organized and efficient, while still allowing the table to function with or without active seat use — providing flexibility for various instructional styles.

Table Height: 38"
Table Width: 31.25"
Seat Height: 25"
Overall Length: 48" (8004)
Overall Length: 96" (8008)
Overall Length: 141" (8012)

Walnut Laminate Surface

The Walnut laminate top delivers a clean, modern aesthetic while standing up to heavy daily use in education environments. The 1" thick commercial-grade surface resists scratches and wear, making it ideal for classrooms, libraries, and multi-purpose learning spaces that require both durability and visual warmth.

- Multiple units can be attached to create a continuous table up to 12 seats
- Flip open electrical charging panel with 3 AC plugs and 2 USB ports
- Steel frame with dark vein or gray powder-coat finish
- 300 lbs. weight capacity per seat
