Avery Guest Stacking Chair

RGS-317LBK

Comfortable
padding on seat,
back, and arm.

The Avery is at home in both reception and training areas

RGS's Avery stack chair is more than just a basic stack chair. It features a comfortable padded seat and back upholstered in a stylish Tetris fabric in Midnight Black. Cushioned black armrests

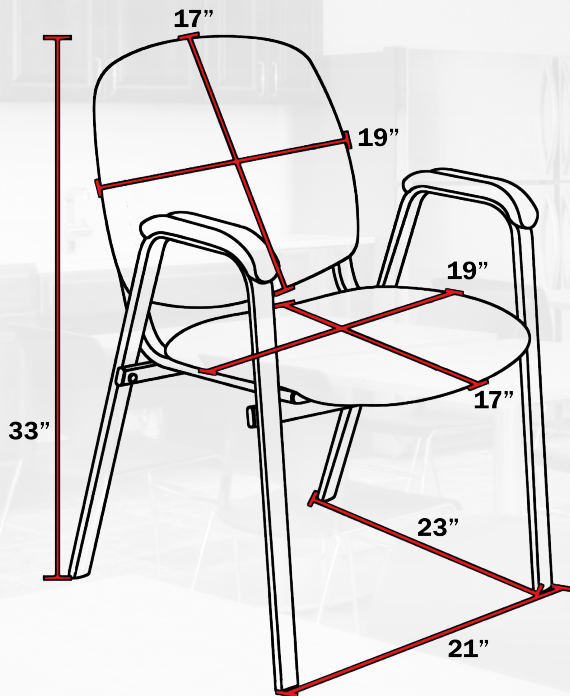

top a black tubular steel frame. The Avery looks great in training rooms, waiting rooms or reception areas, labs, or as a guest chair in private offices. The Avery stores away easily in stack of 8.

Available in
stacks of
4 pack or **18**
pack

For **Guests** and for **Breakroom**
